ADMISSION POLICY

It is the intention and policy of Malamalama Waldorf School (MWS) to welcome students from the broadest possible range of social, economic and cultural backgrounds. MWS accepts children of sound capacities, bearing good physical, emotional and mental health. While MWS is open to students with all types of learning styles, there are no formal special education services and therefore the school may not be able to meet the learning needs of all students. Students are admitted upon an interview with a faculty member, receipt of previous school records, and compliance with contractual arrangements required by the school. MWS reserves the right to admit students for a probationary period.

Notice of non-discrimination: Malamalama Waldorf School is a non-profit 501(c)(3) and admits students of any race, color, national and ethnic origin, gender, religion, physical ability, or family status to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin, gender, religion, physical ability, or family status in administration of its educational policies, admission policies, scholarship and tuition aid programs, athletic, and other school-administered programs.

Please note our age requirements:

- ❖ Applicants for Kinderhale must be 3 years of age and able to use the bathroom independently by August 1st of the school year for which they are applying. Exceptions may be made for students who are 3 years of age after August 1st at the class teacher's discretion.
- ❖ Applicants for Grade 1 must be 6 years of age by June 1st of the school year for which they are applying. Meeting this age requirement does not guarantee placement in Grade 1. A First Grade Readiness Assessment and interview will be conducted with potential first graders to determine appropriate placement.
- ❖ Applicants for Grades 2 through 8 must be age appropriate for the grades for which they are applying.

ADMISSION PROCEDURE

After visiting our campus, or reviewing school information, families may apply to MWS by following the steps below:

Step 1: Completing the Application for Admission

Complete the Application for Admission and include all supporting documents and application fee. Applications are accepted throughout the year. Applications are processed in the order in which they are received. There is no final deadline. However, we strongly encourage applications to be submitted prior to March 15th for the proceeding school year in order to be included in the first review of applications. Applications received after March 15th will be reviewed as space is available.

NOTE: If the class for which you are applying is full, your application will be held in our applicant pool until space becomes available, and at that time, you will be contacted for an interview. If no space opens within the school year for which you are applying, the application can be considered for the following year at no additional application fee.

Step 2: Interview with Faculty Member(s)

Following review of the completed application, the class teacher or Enrollment Coordinator will arrange an interview with the applicant and parent/guardian. At this time, a developmental assessment for Kinderhale applicants, first grade readiness assessment for Grade 1 applicants, and an academic assessment will take place for Grade 2-8 applicants.

Step 3: Class Visit

For grades applicants, following the initial interview the applicant *may* be invited for a three-day visit. During this visit, the applicant will be expected to participate fully in the class for which they are applying.

Step 4: Notification of Admission

The Enrollment Coordinator will notify your family of your child's admission status. If accepted, your family will be presented with an enrollment packet from the enrollment and business offices containing all the necessary paperwork and information required to enroll your child. Prior to the student's first day of school, all items in the enrollment packet and required payments must be submitted. If we determine that your child cannot attend our school at this time we will send you a letter by mail. Also, if all available spots in the class have been filled we will hold the application in our applicant pool and contact you when a spot becomes available.

Please do not hesitate to contact the MWS office with any admissions or enrollment questions.
